Email: lukelukewl@gmail.com

Motivated and disciplined Software Development student currently pursuing a BSc in Software Development at Glasgow Caledonian University. Strong foundation in programming, problem-solving, and teamwork, backed by hands-on academic projects and previous roles in customer-facing environments. Actively seeking a junior/graduate software engineering role where I can contribute to real-world development projects and continue to grow as a developer.

HOBBIES AND INTERESTS

Linwood Boxing Club

I currently am apart of Linwood's boxing club as an amateur fighter. I currently train 3 times a week and travel across the country to train with different clubs.

- I am yet to compete in any major competitions, but I am looking to do so.
- Skills gained include leadership, motivation, discipline, communication and commitment

Fitness/Exercise

I currently attend the gym 3 times a week in my spare time after school. At the gym I work on my strength, conditioning and overall improving my health. It's something I enjoy and take seriously.
